Ohrid Swimming Marathon Race Route

FINA President's Greeting

Dear Friends,

On FINA's behalf, it is my great pleasure to welcome all the swimmers, coaches, managers, judges and delegates from the FINA Member Federations to this race of the 2010 FINA Open Water Swimming Grand Prix edition, taking place in Ohrid Lake, (MKD).

Ten races in three continents are scheduled for this 2010 circuit. As in the past years – in 2009, 106 competitors from 25 nations were classified -, I strongly believe that the level of participation will again be high and the fight emotive.

Thanks to the effort and work of the Swimming Federation of the Republic of Macedonia, as well as the Organising Committee, our best athletes will find the optimal conditions for memorable performances. Moreover, the engagement of the local authorities, sponsors and media representatives is a key factor for the success of this competition in particular and for the promotion of this discipline in general. In this occasion, I would like to express my gratitude to all those involved in the organisation of this event.

From July 15-23, 2010 another major rendezvous the 6th FINA World Open Water Swimming Championships also taking place in Lac St-Jean, Roberval (CAN). Canada has a solid reputation in open water swimming, so the hosting of this competition in Roberval is a reward for this commitment.

FINA, together with the National Federations and Organisers of the 2010 FINA Open Water Swimming Grand Prix, has always one main objective: to provide the best possible conditions and promotion for the performances of our marathon swimmers.

I wish all the luck to the participants and the best to win.

Dr. Julio C. Maglione
FINA President

Fina

Open Water Swimming Grand Prix 2010 Calendar

This annually staged elite-level competition is organised around nine meets and takes place in the most attractive venues around the world. In the beginning (between 1997 and 2006), the World Cup included a whole range of long distances. Since 2007, FINA decided to focus the World Cup on the 10km distance only, as a direct consequence of the introduction of the 10km Marathon Swim on the Olympic programme in 2005. The former Marathon Swimming World Cup circuit was therefore “split” in order to create a separate 10km Marathon Swimming World Cup, while races above 10km would then be part of the Open Water Swimming Grand Prix.

This year, the competitions will take place on the following dates and sites:

24 January - Rosario (ARG)

31 January - Santa Fe (ARG)

07 February - Hernandarias-Parana (ARG)

17 April - Sumidero Canyon (MEX)

27 June - Capri Napoli (ITA)

31 July - Lac St-Jean (CAN)

01 August - Sabac (SRB)

07 August - Lac Magog (CAN)

14 August - Ohrid Lake (MKD)

27 October - Dubai (UAE)

Program of the 24th Ohrid Swimming Marathon

Accommodation

Accommodation will be arranged in the Hotel Inex Gorica.

Friday (13.08.2010)

10:30h Technical Meeting

22:00h Official closing ceremony, cocktail, awarding ceremony (with the President of the Republic of Macedonia)

FINA Bureau

The Bureau consists of 22 members elected by the General Congress, without vote, including the President, five Vice Presidents (one per continent), the Honorary Secretary, the Honorary Treasurer and 14 additional members. All are from different countries or "Sport Countries". 15 members are chosen on the basis of geographical representation (three from Africa, four from America, three from Asia, four from Europe and one from Oceania) and the remaining seven from the world at large. Also member of the Bureau but without vote are the Honorary Life President, the Immediate Past President, the Immediate Past Honorary Secretary and the Immediate Past Honorary Treasurer for a term of four years.

The Bureau is responsible for discussing and making decisions on all matters assigned by them by the General and Technical Congresses. Moreover and among other things, Bureau members interpret and enforce the Rule of FINA, they submit proposals to the Congress, they attribute FINA awards, they determine the dates and locations of World Championships and other FINA events, they organise and control all competitions for FINA's five aquatic disciplines at the Olympic Games, Youth Olympic Games, World Championships and other FINA competitions, they instruct FINA Committees and manage their activities, etc.

At its first meeting, the Bureau forms an Executive Committee including the President, the Honorary Secretary and the Honorary Treasurer. The Executive's role is to decide upon matters relating to the FINA Rules and Regulations or referred to it by the Bureau. It is also responsible for the supervision of the FINA permanent office located in Lausanne, Switzerland.

Since 1999, FINA Bureau Member Sam Ramsamy is also FINA's official Spokesman during all FINA events.
