RE: National Swimming Federation of North Macedonia – Change in Board of Directors

Dear Colleagues,

I write further to your competing requests for recognition of the appropriate Board of Directors of the National Swimming Federation of North Macedonia.

Following examination of your written submissions and requests, including your responses to various questions from the FINA Legal Department and two letters sent by the Olympic Committee of North Macedonia dated on 21 February 2022 and 20 April 2022, and based on the totality of the circumstances of the matter and legal principles, the FINA Bureau has decided to recognize the leadership of the National Swimming Federation of North Macedonia as elected at the occasion of the Extraordinary General Assembly held on 16 December 2021.

As a result of the foregoing, the newly elected Board of Directors of the National Swimming Federation of North Macedonia is recognized as follows:

Mr. Goran Stojanovski, President
Mr. Aleksandar Filipcev, Vice President
Mr. Ilija Stojanovski, Vice President
Mr. Dalibor Dimovski, Member
Mr. Danilo Micic, Member
Ms. Mariana Kochovska, Member

We expect that a smooth transition to the new Board of Directors will take place and that both factions will work together to improve aquatic sport in North Macedonia.
